I'm ready to send opposition of Senator Goldens proposed bill. It is very apparent to me that Senator Golden has a personal vendetta with property owners within the wildfire map. As if once was not enough turning down and Bill such as this. Why couldn't Senator Golden introduce a bill requiring ODF to put out leases to harvest all the undergrowth of the Pine Forests in the wildfire map. I'm sure there's far more constituents that would vote in favor of this idea, as opposed to his proposed bill. I'm talking about people that live in the proposed fire map. Working together, we can accomplish the same goal!
