Committee: House Committee On Housing  
Measure: HB4118

Oregonians need more diverse and affordable housing in every neighborhood. And we need food-producing lands. It is time to call a halt to saying that to have more of one we must sacrifice the other.

That's not the Oregon way – rather, we work together in good faith to find solutions. HB 4118 risks distracting all of us from taking real actions to increase diverse and affordable housing options where people need and want to live, inside UGBs — near work, school, shopping, and more.

It is important for the Committee to hear that you are committed to working on meaningful housing solutions.
