On Behalf Of:

Committee: House Committee On Commerce and Consumer Protection

Measure, Appointment or HB2141  
Topic:

I whole heartedly support this effort - to recognize and modernize the professional status of interior designers only has upside. I had a long interior design career in Oregon and still work there from time to time as an independent consultant to architecture firms. By providing professional status it would allow for more small businesses to take root and provide more options for the community in the long run.
