

Submitter:

Jessi Presley-Grusin

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB722

Please protect Oregon's renters by passing this bill. Price fixing by landlords via algorithms and software must be eliminated, and rent caps need to exist on all forms of rented housing ASAP if we want to see an end to our housing crisis. This bill is an excellent step in that direction. Please vote yes to keep more Oregonians housed.
