

February 14, 2023

Chair Jama, Vice Chair Anderson, and members of the Committee:

We support the provisions of SB 6111 which will help all low income renters. As retirees loving here in Eugene, our fixed income is too low to afford the exorbitant rent increases enacted this year. By enacting a more modest rent increase ceiling, it would benefit seniors and help the homeless find affordable housing.

Wayne and Ruth Osborn  
Sincerely,
