

Submitter: Joy Renee Clavell  
On Behalf Of:  
Committee: Senate Committee On Rules  
Measure, Appointment or Topic: SJR1

I support HJR 1, the Property Tax Relief for Seniors bill. This bill will help seniors to remain in their homes. They have worked hard for many years to pay off their mortgage just to realize that they cannot rest due ever-increasing property taxes. Many have to sell their homes or without necessities.

Please vote YES on HJR 1!

Thank you!
