

Submitter: Daniel Forest

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB611

I'm 81 years old, I couldn't retire until now,  
My Fourplex rental income is my retirement,  
My unit's are way under market rent,  
If you pass this bill I will need to sell and move out of state. Way would any builder  
won't to build  
Any rental units in Oregon?
