On Behalf Of: Mr Oregon Supports SB 1533  
Committee: Senate Committee On Natural Resources and Wildfire Recovery  
Measure: SB1533  
Wednesday; (02.09.22)

I SUPPORT [SB 1533].

Don't the Tribes make a ton of money from their casino gambling operations to pay for their own 'clean shelters and smoke filtration systems'?

What happens if smoke, arising from a wildfire caused by piss-poor, fire-preventative measures and management of State and or Federal Lands?

If granted, the monies for the 'clean shelters and smoke filtration systems' might compel the Tribes to abandon a long-standing form of communication-sending up 'smoke signals'.

Hold on to your scalps if you Oppose [SB 1533].

David S. Wall  
Mr. Oregon Concurs-I would like to legally immigrate to a Tribe.
