Io Blanchett

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: HB3054

At this time, given the homelessness crisis in Oregon, we cannot afford to allow higher rent increases to further jeopardize our residents' ability to seek housing. We need to be expanding protections for tenants now, not reducing them. This bill is an important step toward tenant protections for some of the most vulnerable renters in Oregon, and I hope it will be the first of many of its kind to pass.
