

Submitter:

Ruth Galm

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2964

As a resident of Portland, I am in support of this bill as we desperately need more land for affordable housing. I live down the block from Powell Blvd. where dozens of people are living in tents and RVs. We have had open fires, and RV fire, and people exposed to harsh winters and other dangers. Please innovate in how you are using land for new, affordable housing by supporting this bill. Thank you!
