On Behalf Of: Self  
Committee: House Committee On Housing and Homelessness  
Measure: HB3501

You have got to be kidding me. This reeks of sheltered cluelessness. The homeless situation is out of control and is a blight slowly strangling the city. This is a gigantic mistake. I am a resident and downtown small business owner and I can't wait to retire and move. The city is headed downhill fast and inept government is bad enough as things are without throwing gasoline on the fire with this ill-considered bill.
