

In this great nation of ours its hard for me to understand why some of our veterans are homeless. Why in the state of Oregon are there homeless Vets? There are a lot of reasons why. House Bill 2094 address's one reason, the status of a veteran's discharge. If an individual has served in any branch of the military and was discharged, they are a veteran. This bill will expand Oregon's definition of a Veteran, allowing more veterans to access OHCS programs! For that reason, I support House Bill 2094!

We should never have any body homeless, let alone our American Veterans!
