

Submitter: Jen Hamaker  
On Behalf Of:  
Committee: Senate Committee On Natural Resources and Wildfire  
Measure, Appointment or SB78  
Topic:

ONRI's mission is to protect, defend, and support natural resource jobs, families, communities, and businesses. This bill does not protect, defend nor support farmers or ranchers in any way. To not allow farmers and ranchers rebuild or expand their homes even after a disaster is wrong. To deny a building or expanding an existing home or building because of the fire map that is being used for political reasons to undermine Oregonians all over our state is wrong. To deny a permitted building or expansion, if the county building director decided the property doesn't need it or if the owner does not start building within 3 months after the permit is issued is absurd and weakens and undermines our farmers and ranchers. NO ON SB 78!

Sincerely and with great concern,

Jen Hamaker  
President  
Oregon Natural Resource Industries
