Measure: HB4140

Dear House Committee,

Please support this bill that will help create certainty for the stability of funding for critical survivor services across the state (confidential, culturally specific, Tribal Nation, and community based trauma informed safety services) provided by ODSVS and SHF.

ODSVS funds are the most important shelter operating funds directly benefiting survivors, their children and the advocates who serve them.

SHF funds help provide homelessness prevention and housing stability and navigation services for survivors seeking safety from abuse during their time of crisis.

Thank you for your time!
