Next to legalizing the possession of "personal use" drugs this is just as CRAZY! Oh and to pile on more crazy lets give them \$1000.00. Unbelievable! Multnomah county is moving in the wrong direction. I'm in downtown Portland everyday and I see the garbage, graffiti, vandalism and commercial vacancy's. It's not getting better. Stop coddling people and waiting my tax dollars! How about a bill that compensates business owners that have been broken into (often on multiple occasions) for their loss? What about home owners that theirs homes have been burglarized, people that have had their car stolen or vandalized, where is a bill to help them? Where is there compensation? And don't say that's why you have insurance.
