

Submitter: CL Harvey  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HB3414

So many reasons to list but here is just one:

HB 3414 would not only nullify all of the detailed efforts in removing barriers to housing within historic, natural, and scenic protected areas, it would continue a well-established trend of displacement and gentrification of culturally diverse areas that deserve continued protection. Stop allowing destruction of the Oregon that the far majority of us love.
