

Submitter:

Tom Hammer

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: SB974

Don't kid yourselves, you have no control over our ability to build affordable housing to meet demand. Unless SB 100 from 1973 is replaced, Oregon will never have adequate housing production. Lessening unreasonable permit procedures is a good thing, but nothing will save our state from this housing crisis unless we do away with SB 1000 from 50+ years ago.
