House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment
or Topic:

HB3627

To whom it may concern:

Veterans have many challenges and navigate through a lot in life. Having to navigate through a complex system, or overcoming a burden is often times a barrier that they cannot overcome. If we, as decent human beings, help relieve those barriers for that small 2% that answered to call to defend America, why would we not.
