

Submitter: Britt Stupfel  
On Behalf Of:  
Committee: Senate Committee On Natural Resources and Wildfire  
Measure, Appointment or Topic: SB75

This bill is not focused on wildfires. It is focused on removing people from their homes and stopping development of properties. The ADU definition is also specifically targeting young, low income, or old folks who would need a permanent ADU on a property or be forced to move away. Any bill that mentions further regulation of property should be disregarded. Further restricting property owners risks the entire permitting scheme.
