

Submitter: Michael Edera  
On Behalf Of:  
Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: SB722

I have been canvassing renters across the Portland area for the last year on behalf of Portland Democratic Socialists Housing Working Group. I have repeatedly encountered people who have had rent increases generated by AI. The level of economic stress Portland renters are experiencing cannot be overstated. Pass SB 722.
