

Submitter:

Marsha Hanchrow

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2138

We need HB 2138, especially Section 22 (1), to remove "demolition review" from properties in National Register historic districts, and allow more needed housing in Oregon. I have heard tales of parking lots, because they were within a historic district, bring considered contributing properties. We need more housing for people, and we need it where they want to live.
