On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB712

I oppose SB 712. As a new homeowner on a single income, we are barely able to pay all our bills. Increasing taxes on lower income homeowners increases the chance that more people like me and my family will lose our home and not be able to make mortgage payments. Pay from a job will not outpace the proposed increases of taxes in this bill. Please do not pass this.
