

Submitter:

Philip Selinger

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2400

I oppose House Bill 2400 as it poses a slippery slope that impinges on protected farm, rural and open space lands. We need to encourage new development within existing communities to reduce the need for new and expensive infrastructure and manage the load on existing infrastructure. Farm and rural lands need to be preserved for food production and preservation of natural spaces.
