Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB3848
Members of the Committee,

This is an unnessary bill.

Why does the legislature feel the power to further restrict your constituents rights to do as they please with their property rights?

Do we as Oregonians not pay our property taxes. And also, what does this bill actually do to help other than further restrict?

Thank you for your consideration to OPPOSE THIS BILL as written.

CJ Nugent
