

Submitter:

Kathleen Bauer

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2316

As a native Oregonian for 70 years and as a person concerned about urban sprawl and the conservation of our diminishing agricultural land, I oppose this bill. HB 2316 would open up precious public lands to sprawl development, requiring the state to build infrastructure from scratch and foot the bill.
