Eastern Oregon chapter 11 alumni

I've lived in elkhorn house for 4 years

I'm opposed to bill HB 2239

I believe that Oxford house and its democratic, self ran self supporting system is what saved my life. I don't think I would have been able to do it if Oxford house didn't teach me to be a better person without drugs and alcohol. It has taught me that I am responsible for myself, that's why Oxford house works and it's ways are tried and true.
