Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is absolutely the most insane bill I think I have ever seen portland is already a garbage dump. I have lived in this city my whole life and used to be a proud democrat but common sense has seemed to have disappeared. This will destroy the right of way for pedestrians eleminate tourism and make the police department jobs almost impossible. Also what kind of people do u think our city will attract with this law.

Enough is Enough
