Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: SB684

SB 684 is wildly important to Oregon, and to me as a youth. The barrier to entry for housing is too high, especially for the young, and this could work wonderfully to alleviate that.

Many thank yous to Senators Pham, Broadman, and Patterson for sponsoring SB 684, and I hope that you will bring this bill to a vote and pass it out of committee.
