Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB3644

I oppose this. Why did they overspend all that money in the first place? We already designate millions in funds for homeless. Go downtown and you see them drugged out in the streets. The Metro homeless tax as collected 1 billion in 4 years and where did this go? Why would we want to spend more money to add another layer of administration! They already lack accountability.
