Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB4113  
Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:

I am writing today to urge you to oppose HB 4113.

As an Central Oregonian, I value the land use principles that help keep our state healthy environmentally and economically. Upholding our land use system is key to both. One of our precious natural benefits here in Oregon is the beautiful natural surroundings we enjoy and share with others through our valued tourist industry. Don't throw this away!

This bill would benefit one private stakeholder at the expense of our land use system. That is unacceptable! With so many other important priorities in front of you, I hope you will quickly reject HB 4113.

Sincerely,  
Thomas Kelley
