

Submitter: Penneloppe Allee

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB611

If legislators and anyone else in positions of power actually gave a damn about people and the houselessness crisis you all would be enacting rent controls and tenant protections.

There are an abundance of empty buildings while humans are sleeping on sidewalks, dirty and hungry. It is your dedication to toxic and inhumane capitalism that perpetuates this inexcusable reality.

CAP RENTS. The landlords will survive.
