

Submitter: Amy Thornton
On Behalf Of: Self
Committee: House Committee On Housing and Homelessness
Measure: HB3501

I am a working professional in Portland. The allowance of camping on public or private property should not be allowed as creates an environment of neglect that is not healthy for anyone. Oregon needs to move in the direction of non tolerance to camping. To do otherwise is to create a sinking ship for all residents of the city.
Thank you for hearing my testimony.
