

Submitter: Lamont Wolverton  
On Behalf Of: Group Consensus  
Committee: House Committee On Housing and Homelessness  
Measure: HB3501

This Bill is poorly written and does not represent the neighborhoods or businesses. Why incentivize homeless in Oregon, please reconsider mental health/ drug rehab facilities instead. This crisis is out of control with the attitudes of the few that wish to destroy Oregon and have never experienced the beauty that Portland/Eugene/Salem once were.

Stop throwing money at the homeless issues and follow the law for drug abuse (Repeal Measure 110) and clean up Portland.

We are at a tipping point, people are smart and will boycott Oregon or leave entirely, which includes our group which has had enough of these policies.
