

Submitter: Gary Cook

On Behalf  
Of: All life on earth

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: HB2659

I oppose HB 2659 and any efforts to reduce a full scale approach to end the control of our society and politicians by the fossil fuel industry and other for profit organizations that make an excessive living at the expense of the general population and the earth environment which we all share.
