Measure, Appointment or Topic: HB2138

We live in the historic Laurelhurst neighborhood and oppose HB 2138, Section 22(1)(f). While we appreciate and understand the need to find affordable housing for our houseless neighbors, historic district designations should not be impacted. As you are aware, Laurelhurst is listed on the National Register of Historic Places and the community worked hard to get this official listing. It is important to maintain Portland's history for generations to come.
