

Submitter: Janet Aronson  
On Behalf Of:  
Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:  
I am writing today to ask you to oppose HB 4113.

In these current times, we must be more careful than ever to protect our lands, and to follow rules and laws. The developer has waited too long, has been given enough chances, and their time has run out.

As an Oregonian, I value the land use principles that help keep our state healthy environmentally and economically. Upholding our land use system is key to both. This bill would benefit one private stakeholder at the expense of our land use system. With so many other important priorities in front of you, I hope you will quickly reject HB 4113.

Sincerely,  
Janet 'Jory' Aronson
