

Submitter: Kyle Besaw  
On Behalf Of:  
Committee: House Committee On Housing and Homelessness  
Measure: HB3501

I oppose this bill as it promotes public camping which is already taking a toll on the city of Portland. The houseless need our support, but allowing public camping hurts our tax base and cuts off the hand that feeds all of our homeless programs. The public good should still be priority number 1 and this measure places a small demographic of people over the public's interest
