Measure, Appointment or Topic: HB3522

I don't agree with 24 hr notice. Court document to evict then arrive with LEO for immediate removal. 24 hrs give squatters more than enough time to commit vandalism and/or arson and disappear. A minimum of criminal trespass should be charged. It is long overdue that law abiding taxpaying property owners have a legal process to promptly remove offenders from their property without having to jump through hoops to do so.
