*Subject: HB2141-1*

I, the undersigned, urge the Oregon State Legislature to pass House Bill 2141-1, establishing the Registered Commercial Interior Design Title Act to recognize, protect, and enhance the role of Commercial Interior Designers in Oregon.

#### Why This Matters

Oregon lacks legal recognition for Commercial Interior Designers, despite their critical role in designing safe, accessible, and code-compliant spaces.

HB 2141 will:

- Recognize the profession
- Ensure public safety & consumer protection
- Expand economic opportunities for women, small business owners, and independent practitioners

HB 2141 does NOT:

- Change or limit the work of architects, engineers, or residential designers
- Expand scope or require mandatory registration
- Allow structural, seismic, or exterior work

Thank you.]
