Clair Klock

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB3928

Chair Marsh, and members of the committee,

We are Clair and Beverly Klock from Corbett. We are avid supporters of farm and forestland protection. HB 3928 is a blatant attempt to circumvent the land use rules of Oregon. Rules that were made to maintain production farming and forestry as well as preserve the livability of our state. You have read other specific reasons by other opponents to this bill that we do not need to redundant in pointing out. We urge your full opposition to HB3928.

Thank you for your work

Clair and Beverly Klock
