

Submitter: Helen Bishop
On Behalf Of: Self
Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or HB2961
Topic:
HB 2961 in support

I am a landlord of a Multnomah Co. single-family dwelling, and I am willing to upgrade my property and interested in this bill passing.

Please consider the long range affects this may have on meeting our climate action goals.

Sincerely, Helen Bishop
