Portland writing to express my strong support for SB 722. Access to safe, stable, and affordable housing is essential for the well-being of our communities, and this bill provides necessary protections for renters facing housing insecurity. As someone who is currently extremely rent burdened due to unpredictable rent increases and witnessed unjust evictions destabilize lives, I believe SB 722 is a crucial step toward housing justice. Renters cannot wait for relief and ignoring this bill increases the potential for a greater number of families becoming houseless. I urge you to support SB 722 and ensure that all Oregonians have a fair chance at secure housing.
