

Submitter: William Bray  
On Behalf Of:  
Committee: Joint Committee On Semiconductors  
Measure: SB4

As a resident of the Charbonneau HOA on the south border of Wilsonville, I wish to add my opposition to any land in the French Prarie rural reserve being given for the purpose of building a semi conductor chip plant. I-5 is already a big problem at the Boone Bridge and it is unimaginable what the negative impact on the quality of life fur the residence of this area would be with such an industrialized project.
