

## **I OPPOSE [SB 132]**

[**SB 132(2023)**]-"Extends sunset for tax credits for owner or operator of agriculture workforce housing."

The "Text of [SB 132]" states, "**SECTION 1.** Section 28, chapter 913, Oregon Laws 2009, as amended by section 18, chapter 750, Oregon Laws 2013, and section 30, chapter 579, Oregon Laws 2019, is amended to read: Sec. 28....Except as provided in ORS 315.164 (8), a credit may not be claimed under ORS 315.164 for agriculture workforce housing projects completed in tax years beginning on or after January 1, [2026] 2030."

**\*\*\*I do not support [SB 132].** Although I go to extremes to protect the agricultural economy of Oregon, it is time to sunset the tax credits for, "agricultural workforce housing projects."

For several decades, the agricultural corporate economy in Oregon, has incorporated and relied upon "Illegal Aliens" into their workforce. Oregon's Legislators over the years, have aided and abetted the process, by breaking a myriad of Federal Immigration Laws, the most successful was to declare Oregon a "Sanctuary State."

Providing an additional assistance to agricultural corporations, by extending tax credits to provide incentives to support "agricultural workforce housing projects" is unacceptable.
