

Submitter:

Kimberly Chapman

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2305

This bill is completely unnecessary and is harmful to the constituents of Oregon. Landlords already possess more power than they should, and this bill will exacerbate the homeless crisis that has engulfed our state. This bill will continue the rent hikes that make it more difficult for families to survive and will drive people away from living in Oregon and moving to Oregon. It is a net negative for our state.
