

Submitter: SUsan kass
On Behalf Of:
Committee: Joint Committee On Semiconductors
Measure: SB4

While I live in Portland, I have worked and travelled through Washington County for over 25 years. In addition, I have been a member of a CSA in Helvetia and enjoyed fresh healthy produce for 25 years. Hillsboro is home to many farms and productive agricultural land which cannot be recovered once destroyed. I respectfully ask that you oppose this bill and save this invaluable land.

thank you

Susan A Kass
