Kirk Barnes

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB54

Just more ridiculous legislation that is simply going to further drive up rent amounts while "not" achieving anything that is intended beyond legislators getting to put out a press release praising themselves and patting themselves on the back for a job well done. Stop making everything worse!

It's almost like legislators think the general public never reads the actual text of all these ridiculous legislation ideas.
