

Submitter:

Sally Rosenfeld

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2138

Middle housing – like duplexes and ADUs – is a great opportunity to serve first-time home buyers, allows families to live together longer, and provides opportunities for people to downsize, including older adults who want to remain in their neighborhoods.

This bill helps everyone live closer to schools, stores, parks, and their jobs. It will save families money and is good for the climate.
