Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:  
I am writing to ask you to oppose HB 4113.

Upholding our land use system is important to help keep our state environmentally  
and economically healthy.

This bill benefits one land owner at the expense of our land use system, and frankly,  
all Oregonians. I strongly encourage you to quickly reject HB 4113.
