On Behalf Of:  
Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: SB722

Dear ChairPham, Vice-Chair Anderson, and Members of the Committee:

I am writing to ask you to support SB 722. This bill is vital to prevent displacement and extreme rent spikes by extending coverage of our state's rentstabilization statutes and prohibiting the use of price-fixing software to inflate rents.

I work with in Education for young people experiencing homelessness and one of the biggest challenges is not being able to afford rent on the low wages they often earn as young adults.

Please take action to move this legislation forward.

Thank you,  
Jennifer
